Shotgunning/Steel shot clinic.

This is a two-part clinic with a lecture and a shooting portion. **Participants need to attend the lecture portion to take part in the shooting portion.** This clinic covers all topics associated with steel shot (ballistic information, performance issues, barrel damage issues, shot selection, how to improve shooting skills, how to minimize wounding loss, patterning, etc.).

COST: \$20.00/person Cash or Checks-payable to Hunter Heritage Foundation.
The lecture portion is free to all. The shooting portion price is listed below.
Minimum age is 11.

CLINIC SIZE:

Lecture: The lecture portion can accommodate as many individuals as the facility can.

Range exercise: Up to 12 participants: People need to sign up prior to the clinic and **pay in advance** to reserve their spot if they want to shoot.

CLINIC TIME:

Typically the clinic is held on a **Friday evening from 6pm till 9pm** for the lecture portion and **Saturday from 9am till 3 PM** for the shooting portion. Friday is an indoor session. For Saturday, students need to dress accordingly to be outside and bring a lunch. Class can also be held in a one day session.

WHATS INCLUDED IN THE COST:

- Eye and Ear protection
- All class materials
- All shotshells (12 or 20 Gauge), clay targets, patterning ammunition/boards/supplies
- Professional instruction from department personnel

WHAT THE STUDENTS NEED TO BRING:

- Pencil and note paper
- Eye and ear protection if they do not wish to use ours (Sat. only)
- Lunch (Sat. only)
- Good attitude (both days)
- Shotgun for saturday (12 or 20 gauge)
